Re: Permit Review, Larson Limestone, Pelican Point Quarry, M/049/011, Utah County,  
Utah

Dear Sirs:

In response to your letter dated Oct. 2, 1997, we would request an extension until Dec. 15, 1997. As your probably already aware, we have retained Mr. Patrick Collins of Mt. Nebo Scientific to handle this matter for us. He has been out of town the past few weeks and won't be able to start this request before Dec. 1.

Your understanding in this matter would be greatly appreciated.

Sincerely,

  
Jerry Larson
